

Khuda Bakhsh Oriental Public Library,
Ashok Raj Path, Patna

We are planning for major renovation and construction of additional space in Curzon Reading Room in the Library.

Present seating capacity is around 65. We want to increase it by atleast 50 more seats. For this purpose we are in search of a well qualified and competent Architect / Engineer / Consultant to prepare the plan / drawing / design and monitor the progress of work.

Interested person / firm / company can submit their rates to the Library latest by **25th February, 2023** either by email or by post (Library's email ID is **kboplibrary@gmail.com**). Detail profile must be submitted along with the quotation. Concerned person / Architect / Engineer / Consultant can visit the Library before submitting quotation for assessing the actual work to be carried out.
